

COMMERCIAL RECONSTRUCTION
Comprehensive Approach

REBUILDING STRUCTURAL DAMAGE

Our commercial construction team understands the bottom-line urgency of restoring a building or facility to its pre-loss condition. As a licensed general contractor, RMC provides uninterrupted service from demolition, through restoration and reconstruction; including the identification and removal of hazardous materials.

GAINING CONTROL OF THE SITUATION

Emergency response teams are available 24 hours a day, 7 days a week. Upon arrival, RMC's certified experts will perform a thorough inspection of damaged property following a mitigation project in an RMC service area. RMC's open-book approach to management provides comprehensive control over all aspects of the project, including budgeting and scheduling.

Construction Services:

- Complete Management
- Budgeting & Cost Control
- Manage Material Deliveries
- Maintain Quality Production

Re-Building Commercial Properties

If you need to rebuild your commercial facility following a flood, fire or other calamity, the construction team at Restoration Management Company will provide the services you need to rebuild your structure as soon as possible.
